THE PEBBLE MESSAGE 70 minutes

Our Signature Massage incorporates tension-releasing massage techniques with warm sculpted stones. The deep, penetrating heat of the stones allows your therapist to effectively work your muscles and balance your energy.

LASAPA LELIMA PURIFICATION TREATMENT 100 minutes

Lasapa Lelima, a Native American-based cleansing or bathing ceremony, is inspired by Monterey County's indigenous Esselen tribe. Featuring locally grown coastal white sage and elderberry, this combination scrub, wrap and massage creates an environment for healing to occur naturally.

THE ROYAL TREATMENT 75 minutes

This wonderful massage treatment incorporates head to toe relaxation with honey, ginger and a royal jelly face mask. After a royal treatment of the back with pure honey, a beeswax sheet is applied to support the healing process. To complete the transformation, enjoy a massage, foot scrub and rub. As a finishing touch, a facial mask is applied and the face is massaged. The combination is incredibly relaxing and healing.

WELLNESS (HEAD TO TOE) 105 minutes

Wellness starts with the skin, the largest organ of the body. Exfoliation, circulation and hydration are the cornerstones of your skin's health. Begin with a buff of your skin with a polishing sea salt scrub. Purify and cleanse the back with a thermal clay mask, and hydrate with a massage using a CBD, arnica, and ginger shea butter cream. Complete head to toe wellness with a hydrating facial sheet mask.

SALT OF THE EARTH MASSAGE 70 minutes

This healing massage uses heated Himalayan salt stones to reduce tension and relieve pain and inflammation. Through osmosis, the salt's minerals and nutrients naturally activate your healing mechanisms, allowing your body to restore itself to balance.

DELUXE DIAMOND GLOW 80 minutes

A five-star service that leaves you red carpet ready, this treatment provides all benefits of the Diamond Glow (see page 8) plus extractions, collagen moisture mask and Diamond Glow on your hands.

Spa Feature

SALT WALL THERAPY

This complimentary feature in the ladies locker room offers a quiet respite for guests. When gently heated, Himalayan salt serves as a natural ionizer, thanks to salt's hygroscopic properties. The Himalayan salt crystals attract moisture on the salt block surface, and as that moisture evaporates,

negative ions are emitted. The negatively charged ions from heated Himalayan salt serve to purify the circulating air and offers numerous health benefits for our bodies, such as stress reduction, increased energy, and boosts mood.
