Corporate Hospitality Opportunities

Welcome to the 2023 U.S. Women's Open at Pebble Beach!

For the first time in its illustrious history, Pebble Beach Golf Links will host the most coveted championship in women's golf. We invite you to experience the 78th United States Women's Open Championship at one of the world's most iconic and revered venues.

Women's amateur and professional golf has a rich history on the Monterey Peninsula, one that started with the Pebble Beach Championship for Women, which was played from 1923 through 1951. Pebble Beach also hosted two U.S. Women's Amateur Championships in 1940 and 1948, won by Betty Jameson and Grace Lenczyk. While the biggest championship of them all was missing, that will change July 5-9, 2023, when the U.S. Women's Open tees off for the first time at Pebble Beach Golf Links. The best players will come from around the world in hopes of winning the first Women's Professional Major, and the 14th USGA championship to be played at Pebble Beach.

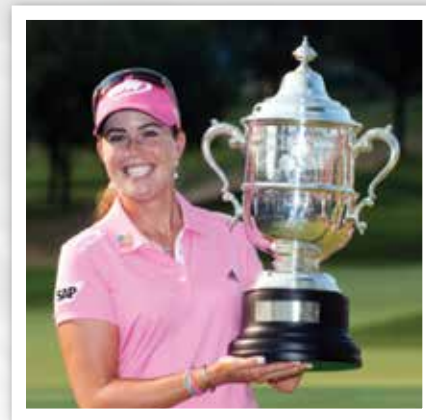

With the historical significance, breathtaking surroundings and world-class hospitality for which Pebble Beach is renowned, the demand for entertainment and hospitality venues at the 2023 U.S. Women's Open Championship is already very high. In addition to witnessing the highest level of competition at Pebble Beach, only a select number of corporate hosts will get to experience best-in-class golf at all the resort's world-renowned golf courses the same week of this historic championship.

The following pages describe the corporate hospitality opportunities and benefits available. All of these opportunities can be customized to create the perfect entertainment environment to engage your guests, existing and potential customers, or to offer a once-in-a-lifetime sales incentive for your associates. Our experienced staff can assist in all aspects of planning your 2023 U.S. Women's Open Championship Week.

History awaits in 2023, and we hope you will join us for the 78th U.S. Women's Open Championship at Pebble Beach to celebrate what will surely be a defining moment in golf. This is a rare opportunity to enjoy all that Pebble Beach Resorts has to offer, while witnessing the game's greatest players on golf's grandest stage as they vie for the most coveted title in golf—U.S. Women's Open Champion. Now is the time to secure your place in history.

The Most Coveted Championship in Women's Golf...

It is the oldest Major championship in women's professional golf and the one every player wants to win. The U.S. Women's Open has challenged and crowned the game's greatest champions since 1946. Patty Berg fittingly won the inaugural championship, one of her record 15 Major titles. LPGA legends Mickey Wright, Annika Sorenstam and Babe Zaharias have all earned the title U.S. Women's Open Champion, as well as Californians Juli Inkster and Paula Creamer.

...Is Coming to America's Most Iconic Course...

For the first time in 2023, the U.S. Women's Open will be won at the one and only Pebble Beach Golf Links, America's No. 1 public course. Said two-time U.S. Women's Open winner Juli Inkster, "If you can win a U.S. Women's Open on a course where Nicklaus, Watson, Woods and Kite won, it matters." Women's golf is now getting its well-deserved opportunity to become a part of the Major championship lore at Pebble Beach—one that includes six U.S. Opens, five U.S. Amateurs and two U.S. Women's Amateurs.

Marion Hollins won the first four Pebble Beach Women's Amateur Championships from 1923-1926

...With a Rich History of Female Excellence...

Women's championship golf at Pebble Beach predates the inaugural U.S. Women's Open. Pebble Beach hosted the first of two U.S. Women's Amateurs in 1940, an event won by LPGA co-founder and World Golf Hall of Famer Betty Jameson. Pebble Beach also hosted an LPGA event during the first two seasons of the Tour's history (1950-1951), tournaments impressively won by U.S. Open champions Babe Zaharias and Patty Berg. Golfing greats Marion Hollins (seven Pebble Beach Championships for Women) and Juli Inkster (1990 Pebble Beach Invitational and 1981 California State Women's Amateur) also boast victories here.

...And a Legacy of Leading into the Future

Since Pebble Beach became the first venue west of the Mississippi to host the U.S. Amateur in 1929, this unforgettable seaside links has been a Major championship pioneer. In 1972, Pebble Beach became the first public course to host the U.S. Open. Since then, Pebble Beach has hosted more U.S. Opens than any other course. Now it is time to see the best women in the game play the best public course that America has to offer—with a National Championship on the line.

18-time Major winner Jack Nicklaus won the 1961 U.S. Amateur at Pebble Beach
